Dear Fellow Chess Enthusiasts,

I am excited to announce my candidacy for the Executive Board of US Chess, with a passion to further the game globally and address members' concerns. With many years' experience and service to US Chess in various roles, I am confident in my ability to serve our community.

I will explain my growth in the chess world and goals that I wish to accomplish in the next letter. My qualifications include starting at the local and state levels eventually working at the national level.

I am committed to working tirelessly to promote chess and serve our members. I would be honored to earn your vote and join the Executive Board to make a POSITIVE impact on our beloved game. Thank you for considering my candidacy!

Yours for chess,
