**REFERRED to the Executive Board**

A maker of motion ADM 19-34 introduced it. Because the original motion as stated did not fall under the authority of the delegates, it was amended so that it was appropriate for the delegates to vote on. The Chair of the Bylaws Committee reported that those in attendance at the Bylaws workshop voted overwhelmingly to have the motion referred to the board as a promotional membership. A delegate reported that those attending the Clubs workshop voted in support of the motion. The board liaison to the Clubs Committee clarified the trend of the discussion during the Clubs workshop. The Chair of the States & Affiliates Committee expressed concerns about smaller State Chapter Affiliates potentially opting into the proposed free membership. The maker of the motion clarified that the intent was a “Basic” affiliate that would preclude the status of a state chapter. A motion was made to refer the amended motion to the board to consider as a promotional membership.
DM 19-45/ADM 19-34 (Bill Goichberg, NY; Steve Immitt, NY; Sophia Rohde, NY)
Moved that the delegates recommend a new category of affiliation is established, called Basic Affiliation. This category shall be free and include the following conditions:
1) Listing of meeting place and times on the USCF website (may be in smaller type than regular affiliates).
2) The right to hold up to four USCF rated tournaments per year of up to 20 players. These tournaments would pay regular rating fees and have regular TD certification requirements. If any such event draws over 20 players, there would be an additional fee of $1 per player. This fee may be avoided by paying $40 to convert to a 1 year regular affiliation.
3) Basic Affiliates would not receive a magazine.
4) Basic Affiliates would not be entitled to a commission on USCF memberships.
REFERRED to the Executive Board

A maker of NDM 19-01 immediately withdrew the motion.

WITHDRAWN

A maker of NDM 19-02 introduced the motion. The President pointed out that the DACIs were provided in the delegate packets and the various places it is available online. The Chair of the Bylaws committee reported that the committee supported the motion, but the workshop attendees were opposed to it. Delegates spoke both for and against the motion.
