College/University Scholarships

The first place finisher in each event will receive a \$5,000 college/ university scholarship. Second and third place finishers will receive \$3,000 and \$2,000, respectively. If there is a tie, then the scholarship will be awarded to the highest finisher, based on tiebreaks: the scholarship will not be split. A recipient may use the scholarship at any school of higher learning. To redeem the scholarship, a recipient must provide proof of enrollment in an institution of higher learning, prove standing as at least a half-time student, and claim the scholarship prior to the recipient's 26th birthday. See event websites for redemption information.

Internet Chess Club (ICC) Membership

Each participant who completes all six rounds (including the host state's alternate, if available for all six rounds) will receive a free, oneyear ICC membership valued at \$70. If a participant is already a current ICC member, then the participant will receive a one-year membership extension.

Rockefeller 8 and **Under Chess Award**

A \$500 Rockefeller 8 and Under Chess Award will be presented to the highest finisher eight years old or younger as of the first day of the tournament. If there are fewer than two participants eight years old or younger, then the award will go to the top finisher nine years old or younger. There must be at least two eligible players for the award to be given. If there is a tie, then the award will go to the highest finisher based on tiebreaks. The award will not be split.

Barber 11 and **Under Chess Award**

A \$500 Barber 11 and Under Chess Award will be presented to the highest finisher 11 years old or younger as of the first day of the tournament. If there are fewer than two participants 11 years old or younger, then the award will go to the top finisher 12 years old or younger. There must be at least two eligible players for the award to be given. If there is a tie, then the award will go to the highest finisher based on tiebreaks. The award will not be split.

Ursula Foster Memorial Awards (Haring and Denker)

Two \$500 Ursula Foster Memorial Awards will be presented: one to the highest Haring finisher 12 years old or younger as of the first day of the tournament, and the other to the highest Denker finisher 15 years old or younger as of the first day of the tournament. If fewer than two participants are 12 years old or younger in the Haring, then the award will go to the top finisher 13 years old or younger. If fewer than two participants are 15 years old or younger in the Denker, then the award will go to the top finisher 16 years old or younger. There must be at least two eligible players for each award to be given. If there is a tie, then each award will go to the highest finisher based on tiebreaks. Neither award will be split.

State versus State Championship

The state whose representatives have the highest combined score will be recognized. Gift certificates for the U.S. Open Chess Store will be awarded to each player from the three highest-scoring states. In addition, gift certificates will be awarded to each player of the highest-scoring state whose players' average rating is Under 2100, Under 1900, or Under 1600. A total of \$400 in gift certificates per invitational (\$2,000 total) will be awarded. States must have at least three players from the five simultaneous national state champions invitationals to be eligible for team prizes. Each state's Irwin representative will be the state's honorary team captain.
