INDEPENDENT AUDITOR'S REPORT

Board of Directors
United States of America Chess Federation
Crossville, Tennessee

Opinion

We have audited the accompanying financial statements of United States of America Chess Federation (a nonprofit organization), which comprise the statement of financial position as of May 31, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United States of America Chess Federation as of May 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of United States of America Chess Federation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United States of America Chess Federation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

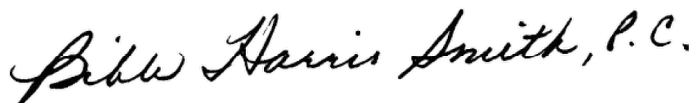

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of United States of America Chess Federation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about United States of America Chess Federation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

UNITED STATES OF AMERICA CHESS FEDERATION
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED MAY 31, 2022

Note 1 - Nature of Organization and Significant Accounting Policies

The Organization – The United States of America Chess Federation (Federation) was organized in 1939. The purpose of the Federation is educational and instructional. The Federation seeks to broaden and develop chess as art and recreation. The Federation accomplishes this objective by cooperating with schools, colleges, hospitals, military bases, community centers, recreation departments, and other groups and institutions in teaching chess, conducting tournaments, and other activities. In addition, the Federation disseminates information through its publications and representatives.

Basis of Accounting – The financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Under this method, revenues are recognized in the period in which they are earned, and expenses are recognized when incurred.

Estimates- The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents – For purposes of the statement of cash flows, the Federation considers cash equivalents to include all highly liquid investments available for current use with an initial maturity of three months or less, and cash funds. The following balance sheet captions correspond with total cash and cash equivalents per the statement of cash flows: operating assets \$1,794,683; life member assets \$230,735; endowment cash \$894,837.

Provision for Doubtful Accounts – The Federation provides for estimated losses on accounts receivable based on prior bad debt experience and a review of existing receivables. Accounts are charged off as uncollectible if over 365 days old and less than \$1,000, or if the collection efforts are exhausted. No allowance is considered necessary at May 31, 2022.

Life Membership Assets (LMA) – The Federation offers lifetime and sustaining memberships to its members. The membership fees received are designated as LMA assets, which include land, building, cash, and investments. Life and sustaining membership fees are deferred and recognized in income over a twenty-year period from the date an individual becomes a life member.

Investments – Investments are stated at fair value. Fair value for all investments is determined by reference to quoted market prices in active markets for identical assets (Level 1). Net realized and unrealized gains and losses on investments are reported as increases or decreases in unrestricted net assets unless its use is temporarily or permanently restricted by explicit donor stipulations or by law.

Deferred Multi-Year Memberships and Deferred Sales and Tournament Income – These deferred income categories include multi-year membership income and deferred tournament income for tournaments which have not yet taken place. Income is recognized when earned based on management's estimate of: the amount considered a contribution, and recognized upon receipt; the amount considered an exchange transactions, and recognized ratably during the duration of the membership; and adoption of a mid-year cost flow assumption.

Other Revenues – In addition to the deferred revenues discussed above, other revenues are a single delivery element and revenue is recognized at a single point in time when ownership, risks and rewards transfer.

Compensated Absences – Employees’ vacation benefits are recognized in the period earned.

Financial Instruments and Fair Value Measurements – The Federation believes the carrying amount of cash, accounts receivable (net of allowances), other current assets, accounts payable, line of credit, accrued expenses and other liabilities approximates fair value due to their short maturity. FASB ASC 820-10, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Federation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Federation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Tax Exempt Status – The Federation operates under 501(c)(3) status. If applicable, the Federation accounts for unrelated business income taxes under the provisions of FASB ASC 740-10. During the year ended May 31, 2022, the Federation did not have net income derived from unrelated business activities, and it was determined that there were no matters that would require recognition in the financial statements or which may have any effect on its tax exempt status. In years where the Federation has net income derived from unrelated business activities, it would be subject to examinations by taxing authorities generally for three years after filing the federal Exempt Organization Business Income Tax Returns (Form 990T). It is the Federation’s policy to recognize interest and/or penalties related to uncertain tax positions, if any, in income tax expense. As of May 31, 2022, the Federation had no accruals for interest and/or penalties.

Financial Statement Presentation – Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Federation and changes therein are classified and reported as follows.

Net assets without donor restrictions – Net assets that are not subject to donor imposed restrictions and may be expended for any purpose in performing the primary objectives of the Federation. These net assets may be used at the discretion of the Federation’s management and board of directors.

Net assets with donor restrictions - Net assets subject to donor-imposed stipulations and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Federation or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Contributions – Contributions received are recorded as “with donor restrictions” or “without donor restrictions” depending on the existence or nature of any donor restrictions. Contributions of donated noncash assets are recorded at their fair values in the period received.

Donated Services – The Federation receives donated services from unpaid volunteers who perform a variety of tasks to assist the Federation in its activities. Donated services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. If the criteria for recognition are satisfied, donated services are recorded at their fair values in the period received. No donated services met these criteria and none were recorded for the fiscal year ended May 31, 2022.

Functional Allocation of Expenses – The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Property and Equipment – Property and equipment are recorded at cost or, if donated, at fair value at the date of receipt. Items with a useful life of greater than one year and a cost of greater than \$500 are capitalized. Depreciation is calculated on the straight-line method over the estimated useful lives of depreciable assets.

Note 2 – Information Regarding Availability and Liquidity

The Federation strives to maintain liquid financial assets sufficient to cover 120 days of general expenditures. Financial assets in excess of daily cash requirements may be invested in certificates of deposit, money market funds and other short-term investments.

The following table reflects the Federation’s financial assets as of May 31, 2022, reduced by amounts that are not available to meet general expenditures within one year of the statement of financial position date because of contractual restrictions or internal board designations.

Financial Assets at Year End:	
Cash and Cash Equivalents	\$ 2,920,255

	<u>3,926,457</u>
Financial assets available to meet general expenditures over the next twelve months	<u>\$ 1,070,243</u>

Amounts not available include the Life Member Asset Trust which is intended to provide income to support services for life members throughout the term of their membership, a Scholarship Fund to pay for scholarships awarded to students in chess competitions, an Endowment Fund to hold restricted and unrestricted donations for long term investment (the proceeds of which will be used for future programming), and the Reserve Fund which is intended to provide operating liquidity in the event of an emergency or to fund special board initiatives not considered in the annual operating budget. In the event the need arises to utilize the board-designated funds for liquidity purposes, the reserves could be drawn upon through board resolution. Amounts not available to meet general expenditures within one year also includes net assets with donor restrictions.

2033-2037	83,700
Thereafter	45,019
	<u>\$ 445,449</u>

Note 9 – Deferred Scholarships

The Federation awarded scholarships as prizes at certain scholastic tournaments. These awards are to be paid to the winners upon proof of enrollment in a post-secondary institution. The liability for the scholarship awards is at the estimated present value of the payments, taking into account a discount rate of 3% and the expected date of payment. It is at least reasonably possible that a change in this liability could occur in the near term.

Future payments are anticipated as follows:

2023	\$ 86,900
2024	22,000
2025	13,250
2026	3,500
2027	1,000
Thereafter	<u>2,000</u>
Total	128,650
Less: unamortized discount	<u>(12,766)</u>
Present value of Deferred Scholarships at 05/31/22	<u>\$ 115,884</u>

Note 10 – Line of Credit and Short-Term Notes Payable

During the fiscal year ending May 31, 2021 the United States of America Chess Federation received loan proceeds in the amount of \$188,043 under the Paycheck Protection Program (“PPP”). Established as part of the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), the PPP provides loans for qualifying businesses in amounts up to 2.5 times the businesses’ average monthly payroll expenses. PPP loans and accrued interest are forgivable after a “covered period” (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent, and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period. Any unforgiven portion of a PPP loan is payable over 2 to 5 years at an interest of 1%, with a deferral of payments 10 months after the end of the covered period. In December 2021, the Small Business Administration fully forgave the PPP loan of \$188,043. The \$188,043 is included in Revenues without Donor Restrictions on the Statement of Activities and Changes in Net Assets.

Note 11 – Commitments and Contingencies

The Federation is insured for professional liability under an occurrence-basis policy with an independent insurance carrier. An occurrence-basis policy covers claims resulting from incidents that occur during the policy term, regardless of when the claims are reported to the insurance carrier.

The COVID-19 pandemic, whose effects first become known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant volatility in value resulting from uncertainty caused by the pandemic. United States of America Chess Federation is closely monitoring its liquidity and is actively working to minimize the impact of these declines. The Federation makes in-person event decision based on available guidance from federal, state and local governments. The extent of the impact of COVID-19 on United States of America Chess Federation’s operational and financial performance will depend on certain developments, including the duration and speed of the outbreak and its impacts on United States of America Chess Federation’s customers, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact United States of America Chess Federation’s financial position and changes in cash flows is uncertain and the accompanying consolidated financial statements include no adjustments relating to the effects of the pandemic.

Note 12 – Concentration of Credit Risk

The Federation has cash deposits with various financial institutions located within Tennessee and the United States at May 31, 2022. The Federation does not require collateral or other support for cash deposits in excess of the federally insured limit of \$250,000 for each financial institution. The Federation’s bank balances exceeded the federally insured limit by approximately \$850,000 at May 31, 2022. For its investment accounts, the Federation has elected a bank sweep option whereby cash at the end of the day is deposited into 10 different FDIC insured accounts, providing an additional \$2,500,000 of FDIC insured protection.

The Federation’s trade receivables potentially subject the Federation to credit risk. At May 31, 2022 there were no credit risks.

Note 13 – Net Assets with Donor Restrictions

Net assets with donor restrictions are comprised of contributions received to fund prizes, primarily in the form of scholarships, for invitational chess tournaments and to provide certain medical and pension benefits to America’s top chess players, and land. Net assets with donor restrictions as of May 31, 2022 are summarized as follows:

Endowment	\$ 1,327,632
Scholarships	43,250
Professional Players Health and Benefits Fund	170,048
Crenshaw Endowment	11,278
Other	415,383
Total Net Assets with Donor Restrictions	<u>\$ 1,967,591</u>

Note 14 – Board Restricted Funds

The following board restricted funds are included in Net Assets without Donor Restrictions:

The Scholarship Fund was established to segregate the amount required to pay scholarships awarded as prizes at chess competitions. The Board approved a policy that any scholarships awarded through a Federation sponsored chess competition must be funded at the time of the event. The scholarship money is held in a separate bank account until claimed by the winner upon entering a post-secondary educational institution. The account may also hold donor-restricted funds that have been donated to provide scholarships for specific events. Donor-restricted amounts are reported separately. At May 31, 2022, this Fund had assets of \$78,864 of which \$43,250 is donor-restricted and \$35,614 is Board restricted.

The Endowment Fund was established in 2019 to create a long-term source of investment income from donations received from benefactor members and from donations from estates. Benefactor members donate \$1,500 beyond the cost of a life membership to benefit the future efforts of the Federation. The endowment was started with the transfer of \$66,000 representing the contributions of the 44 benefactor members at that time. The Board established a policy that the donation component of future benefactor members will be added to the endowment along with the proceeds from any estate gifts. Any earnings of the endowment will be reinvested into the endowment until the fund reaches \$100,000. When the fund exceeds that amount, earnings may be used to fund Federation programs and activities at the discretion of the Board. At May 31, 2022, the endowment balance totaled \$1,614,276 , of which\$ 1,327,632 is donor restricted and \$286,644 is Board restricted.

The Reserve Fund was established in May 2017 to set aside money for use in the case of extreme emergency. The Board set a goal for the reserve to be between six and twelve months of Federation operating expenses. Any distribution from the reserve requires an affirmative vote of the Executive Board which outlines the emergency and establishes that the emergency cannot be met in other ways. Earnings of the reserve are being reinvested until the reserve meets the funding target which is presently \$2,000,000. The fund was initially established with \$800,000, followed by two additional deposits of \$200,000 each. The balance in the reserve fund was \$1,369,922 at May 31, 2022.

On July 15, 2003, the Federation received three acres of land located in Crossville, Tennessee. As a restriction on the use of the donated land, the Federation must not sell any undeveloped portion of the land without first offering it to the City of Crossville for the same per acre price as the original price of \$1, plus improvements and other items, if the land is sold as an undeveloped piece of the original acreage. After considering the nature of these restrictions management has re-characterized the land from Net Assets With Donor Restrictions to Net Assets Without Donor Restrictions (Board Designated). As discussed in Note 17, in August 2022, the Federation sold this property to an unrelated party. The undeveloped portion was not sold separately, so no restrictions applied to the sale.

Note 15 – Endowments

The Organization's endowment includes assets held by the Federation, the income from which is available to support the Federation. Its endowment includes both donor-restricted funds and funds designated by the Executive Board to function as endowments. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Executive Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. The Executive Board of the Federation has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies. The Organization has adopted investment and spending policies, approved by the Executive Board, for endowment assets as follows:

- Objective – To have investment and spending policies designed to balance the current goals of US Chess with its future need, in order to achieve parity in supporting both current and future generations of US Chess member and other beneficiaries of US Chess programs.
- Risk Philosophy – Moderate risk level to preserve principal and produce a total return sufficient to protect the purchasing power of the assets from inflation after meeting annual spending requirements.
- Asset Mix –
 - Cash: 5%-10%
 - Bonds, Fixed Income ETF: 45%-50%
 - US Equity, Indexes ETF: 25%-35%
 - Global Equity, Indexes: ETF: 25%-35%
 - Hedge Fund Strategies, Buy-Writes: 0%-10%
 - Private Equity/Venture Capital: 0%-5%

- Natural Resources: 0%-5%
- Real Estate: 0%-5%
- Performance Standard – Total return is expected to outperform a benchmark composite return for a similar asset mix.
- Withdrawal and Liquidity – The Executive Board will determine how and when to distribute the Endowment Fund. The Endowment Fund threshold base is \$100,000 before distributions are considered by the Executive Board.

Note 16 – Retirement Plan

Effective January 1, 2016, the Federation established a 401(k) plan covering employees with six months of service who have attained the age of 21. Retirement plan administration expenses of \$4,623 were paid during the year ended May 31, 2022, respectively. The Federation has a safe harbor plan that requires a 3% contribution to all employees and a 50% matching contribution on the first 5% for employees voluntarily participating in the plan. For the year ended May 31, 2022, contributions totaled \$27,929.

Note 17 – Subsequent Events

In December 2021, the Federations' Executive Board voted unanimously to move its physical location from Crossville, TN to St. Louis, MO. In March 2022, the Federation listed the property in Crossville for sale, which sold in August 2022 with a closing date of August 12, 2022. The proceeds, net of selling expenses, will remain in the Life Member Asset Trust and will not add to liquidity. In May 2022, they signed a new lease agreement

for an office space in St. Louis, commencing June 1st for five years. The Federation officially moved in July 2022.

Future minimum lease payments under the operating lease are as follows for the fiscal years ended May 31,

2023	\$ 35,701
2024	38,947
2025	39,997
2026	40,092
2027	41,143
Thereafter	<u>6,873</u>
	<u>\$ 202,753</u>

Management has evaluated subsequent events through November 8, 2022, the date the Financial Statements were available to be issued.
