

## Grade Nationals Safe Play Announcement

### 2nd-12th grade

US Chess encourages a safe and welcoming environment for all our players and attendees. To protect you, we have adopted a Safe Play Policy. You will find these on the main US Chess website and linked on the Grade Nationals page as well. If you feel unsafe or uncomfortable in interacting with anyone during this event, please report the problem to a tournament director or US Chess staff at Chess Control immediately (or ask your parent or coach to do so). Each tournament director and staff member wearing a yellow button has been SafeSport trained and is able to assist you. US Chess will follow up on your report in real time. Thank you for your attention to this important information.

### K-1

US Chess wants you to feel safe and welcome while you are here. We have adopted a Safe Play Policy which you can find on the main US Chess website and linked on the Grade Nationals page. If you feel unsafe or uncomfortable in interacting with anyone during this event, please report the problem to a tournament director or US Chess staff wearing a yellow Safe Play Button immediately (or ask your parent or coach to do so). US Chess will follow up on your report in real time. Thank you for your attention to this important information.
