

365 Chess Academy - Homework Group

17th February 2020

Hi guys, this is a taster of the homework club sheet provided for free for the US Chess Life online. It will be up for the duration of the Candidates tournament. The place you found these exercises you will also be able to find a link to the live class we had on the 17th February. We have this class every week. So far it has been Mondays, but it will probably change to Tuesdays.

www.365chessacademy.com provide about 9 live classes per week at different times. We have students of all levels and many nationalities. I think the homework club alone is worth the \$499 a year price. I am sure I could have had many students if I had offered it privately at half that price. Instead, we have seven coaches and will give you 500+ hours of coaching in a year. Less than \$1 per hour.
